

Metalicon-Kardo Monitor Laptop-arm

VARIATIONS

- SILVER
- BLACK
- WHITE

Use this arm when you need to use a monitor and a laptop together and have both displays at the same height.

FEATURES

The Kardo fixed pole monitor arm is popular worldwide due to its appealing aesthetic and easy install design features. This configuration is provided as standard with:

- 2 x independently operating arms with a laptop holder
- Quick release removable VESA mounting plates
- Quick release height adjustment
- Complete cable management
- Available in black, white and silver powder coat.
- Preassembled desk clamp
- Through desk fixing option.

Monitor arms offer DSE compliance benefits and can help to reduce the frequency of staff absence due to headaches, backache and other MSD issues associated with office working. Capacity for one screen up to 10kg and 27" in width, plus a laptop.
